

Psalm 124 (A Psalm of David)

Explain the Context:

From your reading provide a short answer to the following:

What is the theme of these verses?	What is the BIG Idea?
What is something that surprised you?	What are these verses <i>not</i> saying?

Take a moment to consider these questions:

- 1) The Songs of Ascent were meant to be sung at specific places along the journey to the Temple in Jerusalem, as reminders of where they had come from and where they were headed. What modern day practices do you use to help you remember God's goodness in your life?

2) Think of a time you faced an impending tragedy in your life or community. What was the outcome? Can you look back now and see God's hand of rescue in that situation? Write a "song" of thanksgiving for that rescue.

3) What are some "warning" signs has God given you that prompted you to turn around from a course of action?

Apply the Scripture

Write the verse that stood out to you while reading [in this translation or your favorite].

How does this verse challenge you? Does it reveal an attribute of God's character?
